

Thanks for supporting that special Tongass experience so that future generations can continue to use and enjoy our wild places.

As a business member, the **I Love the Tongass website** will list your business contact information and a link to your website on its ***Our Business Partners*** list and in your choice of communities listed under ***I'm Planning a Trip to the Tongass***. Business members will also have the first option for ads in our annual tide tables, which are circulated to 5500 people.

To help you share information with your guests, we can send brochures and talking points so you have some basic and interesting Tongass facts. We can also come speak to your staff about the Tongass experience.

New business members will receive a gift copy of **Alaska's Watchable Whales** by Mark Kelly and John Hyde. It's a book your clients will marvel at for hours if you let them.
